GENERAL AND REVENUE SECRETARIAT

Serial Nos. One

Part B for December 1950.

SUBJECT

Sri S. Nagappa, Asst. Secretary to Govt (RD) is permitted to draw an arbitrary pension of Rs. 165/- pm with effect from the date he ceased to be an Officer on Special duty, for Economic Survey of Typical Villages in the State.

Order No. 13152-13154/CB. 44-50-3 of 22nd December 1950

To

The Accountant General, Mysore, Bangalore (thro' FD.)
The Commissioner for Rural Development in Mysore.
All Dist. Commissioners in Mysore.

Serial No.

1527 C.B.

Representation dated 26.6.50 from Sri S. Nagappa Asst. Secy to Govt (Retd) requesting in the circumstances stated to authorise the A.G. to admit in audit his claim for the arrears of increment due to him at the rate of Rs 40/- p.m. from 25th Jan 1946 to end of July 1946.

Submitted.

(1) Sri S. Nagappa Asst. Secy to Govt (Retd) was permitted to draw his next increment raising his pay to Rs 330/p.m. in the grade Rs 250-40/2-450 with effect from 17th Dec 1942 (vide letter No. 3095/C.B. 14-42-7 dated 2.1.43)

(2) On the normal course he was entitled to get his next increment raising his pay to Rs 370/p.m. in grade Rs 250-40/2-450 with effect from 17th Dec 1944. But the officer was ordered to retire from service with effect from 1st July 1944. Therefore, there was a shortage of 5 months and 16 days which could have entitled him to draw his next increment raising his pay to Rs 370/p.m. from 17th Dec 1944.

(3) He was re-employed as Spl officer for resettlement of typical villages for a period of 11 months and 23 days from 9th Aug'45 to end of July 1946. This period of his

was ordered to be treated as "Qualifying Service" for purposes of pension. (Vide G.O.No. 1052-1053/ C.B. 44-50-1 dated 20.4.50.) M.

(4) Sri Nagappa requests that he may be permitted to draw Rs 370/ p.m. in grade Rs 250-40/2-350 from 26th Jan 1946 to end of July 1948 as against Rs 330/ actually drawn. This means to treat the period of his re-employment as Service for increment also. There seems to be no objection to the present request since the period of his re-employment was ordered to be treated as "qualifying service" for purposes of pension.

(5) The request may perhaps be complied with, with financial consequence.

(6) Submitted for orders.

Kly 8/7/50.

7) There does not seem to be any provision under the M.S.R. under which such deficiencies can be condoned or such periods of re-employment counted towards increments.

8) If approved, A. G. may be consulted u/o., regarding the admissibility of the request and if so, the date

11) The Govt. Order No. M. 1037-102/G.M.27-45-1 dated 4-8-45 fixes the emoluments payable to Sri S.Nagappa during the period of his special duty as noted in the margin. Since his pay has been definitely fixed at Rs. 330/- per month in the Govt. Order without any reference to the grade of Rs. 250-40/2-450, the question of earning increments in the said grade during the period of his special duty does not arise. Moreover, this re-employment was not in continuation of his previous service as there is a break of more than one year between the date of retirement and the date of re-employment. Government have already shown him some concession by taking into consideration the re-employed service for purposes of enhancing his pension. This has further induced him to put in a claim for reckoning this

(5) Prior to his retirement from service Sri S. Nagappa, permanent Asst Secy to Govt., held the post of Asst to the Census Superintendent. At that time he was drawing a pay of Rs 330/- in the grade of Rs 250-40/2-450. In addition to his duties as Asst to the census Supt he was in charge of organising the Economic Survey also. When the question of resumption of indebtedness

in the villages selected for ~~economic~~ economic Survey in 1941, Came up for consideration, in the year 1945, it was proposed to entrust this work to Sri S. Nagappa, Retired Asst Secy to Govt and an enquiry was made of him, if he was willing to take up the work on the pay he was drawing when he retired from service, inclusive of the pension he was getting. In this D.O. letter dated "S" 5th July 1945, Sri Nagappa wrote to say that he was getting this grade pay of Rs 330/- plus a D.A. of Rs 75/- and that he expected the same pay and allowances during the period of special duty also apart from the War allowance. But the Govt order NO. H.1037-102/ "V" G.H.27-45-1 dated 4-8-1945, entrusting this work to Sri Nagappa says that Sri Nagappa may be given a pay of Rs 330/- p.m. ~~plus~~ and Allowance Rs 75/- p.m. plus war allowance, this pension being absorbed so long as he continued to be on that special duty. As the intention was that this work was to be completed within six months, no grade pay appears to have been mentioned in the Govt order. There has, however, been a break of more than one year between the date of his retirement and the date of re-employment.

Acting service put in in a graded appointment counts for earning increments, even though the officer does not hold the post continuously. There does not, however, appear to be any precedents to support the request of Sri Nagappa. If this request of this is conceded it results in a human increase in this pension. In view of this long and good record of this service, this request may perhaps be conceded as a spl. case with the concurrence of the Fin Deptt.

Sir,

With reference to G.O.No. 1050-1053/C.B. 44-50-1 dated 20th April 1950, directing that the services rendered by me as Special Officer for Economic Survey of typical villages in the State be deemed to be "qualifying service" for purposes of pension, I beg to submit that I find that this service recognised as qualifying for pension counts for increments also and that I shall therefore be entitled to draw a pay of Rs 370/- per mensem in grade Rs 250-40/2-450, from 25th January 1946 to 31st July 1946, as against Rs 330/- actually drawn by me during that period, according to details explained below:-

The increment raising my pay to Rs 330/- in grade Rs 250-40/2-450 was sanctioned in letter No.3095/C.B.14-42-7 dated 26-12-1942/2-1-1943 from the Chief Secretary to the Government of Mysore, with effect from 17th December 1942, and as I retired from service from 1st July 1944, I had put in a service of 18 months and 13 days towards the next increment and a period of service of only 5 months and 16 days was wanting to entitle me to the next increment raising my pay to Rs 370/- in the grade. My re-employment as Special Officer in G.O.No.M.1037-102/G.M.27-45-1 dated 4th August 1945, which extended from 9th August 1945 to end of July 1946, viz., for a period of 11 months and 23 days, has contributed to make up the deficiency of service of 5 months and 16 days required for my earning the next increment in the grade. CIRCULATION NOTE

Subject: Representation of Sri.S.Nagappa, Assistant Secretary to Government (Retired), for counting the period of his re-employment for increment.

*****

Sri.S.Nagappa, Assistant Secretary to Government (Retired) was getting a pay of Rs.330/- per mensem in grade Rs.250-40/2-450 with effect from 17th December 1942. His next increment raising his pay from Rs.330/- per mensem in the above grade to Rs.370/- per mensem was due from 17th December 1944. But the Officer was ordered to retire from service with effect from 1st July 1944. Therefore his pension was calculated on Rs.330/- per mensem the pay he was getting at the time of retirement and a pension of Rs.155-4-0 per mensem was sanctioned.

Sri.S.Nagappa who retired from service as Assistant Secretary to Government with effect from 1st July 1944 was re-appointed on Rs.330/- per mensem as a Special Officer for Economic Survey of typical villages in the State from 9th August 1945 to 31st July 1946 during which period the pension was absorbed in the emoluments sanctioned to him for the special duty. There was a gap of one year one month and eight days from the date of retirement from service to the date of his re-employment as a Special Officer. On a previous representation of Sri.Nagappa, it has been ordered in Government Order No.1050-1053/C.B.44-50-1 dated 20th April 1950 that the services rendered by this officer, as Special Officer for Economic Survey of typical villages in the State be deemed to be "qualifying service" for purposes of pension. As a result of this Government Order the Officer became entitled to pension at the rate of Rs.161-13-0 per mensem.

Sri.S.Nagappa has put in a representation requesting that the period of his re-employment as Special Officer for Economic Survey of typical villages, may be ordered to be counted for increment also.

The Accountant-General who was consulted un-officially has noted on the case as follows:-

"The Government Order No.M.1037-102/G.M.27-45-1 dated 4th August 1945 fixes the emoluments payable to Sri.S.Nagappa during the period of his special duty as noted in the margin. Since his pay has been definitely fixed at Rs.330/- per month in the Government Order without any reference to the grade of Rs.250-40/2-450, the question of earning increments in the said grade during the period of his special duty does not arise. Moreover, this re-employment was not in continuation of his previous service as there is a break of more than one year

Pay Rs.330/- per mensem. (
Allowance Rs.75/- per mensem.)
Plus War Allowance. (

between the date of retirement and the date of re-employment. Government have already shown him some concession by taking into consideration the re-employed service for purposes of enhancing his pension. This has further induced him to put in a claim for reckoning this service for purposes of increments also. If this is conceded, then his pension will have to be further revised with reference to the enhanced pay to be drawn by him.

Acting service put in/a graded appointment counts for earning increments, even though the Officer does not hold the post continuously. If this request of his is conceded it results in a small increase in his pension. In view of his long and good record of his services, it is suggested that the request of Sri.Nagappa may be conceded as a special case with the concurrence of the Finance Department. This suggestion has been agreed to by the Financial Secretary.

When the file was submitted to the Minister for Finance and Industries who was in charge of the current duties of the Chief Minister, he minuted on 21st September 1950 as under:-

"Does he not get his full pension now? If it is less than 50% of what he was drawing at the time of retirement the matter may be considered".

Sri.Nagappa is drawing his full pension. But his present pension falls short by Rs.3-3-0 per mensem when calculated at 50% of the pay he was actually drawing at the time of his retirement.

The Chief Secretary has noted on the case as follows:-

"The pension he is now getting is Rs.161-13-0, which does fall short of 50% of what the Officer was getting at the time of his retirement. If his request is conceded, he should get Rs.168-4-7. But 50% of what he was drawing at the time of retirement would be only Rs.165/- per mensem".

The Chief Minister has ordered that the pension of Rs.165/- per mensem which is 50% of what Sri.Nagappa was drawing at the time of his retirement may be sanctioned to him.

The matter has been ordered to be disposed of by circulation.

The concurrence of the other Ministers to this proposal is requested.

Sir,

21 Subject:- Counting the period of re-employment for increment.

In continuation of my representation dated the 26th June 1950, requesting that the period of my reemployment as Special Officer for Economic Survey of typical villages, which has already been recognised by Government as service qualifying for pension, may be ordered to be counted for increment also, I beg to submit herewith for kind perusal copy of my letter No. M.28/Census dated the 4th July 1945 from the Education Secretary to Government and my reply thereto, dated the 5th July 1945, in the matter of the pay to be fixed for me during my re-employment.

The Education Secretary in his letter mentioned above stated that it was proposed to entrust me with the Survey work on the pay I was drawing when I retired from service and asked me to intimate whether I was prepared to undertake the work on the conditions set forth in his letter. In my reply dated the 5th July 1945, referred to above, I stated that I was getting my grade pay of Rs 330/- plus Duty Allowance of Rs 75/- per mensem at the time of my retirement and that I would expect the same pay and allowance during the period of the proposed special duty also, apart from the War Allowance to which officers of my pay and status are entitled. Government in their order No.M.1037-102/G.M. 27-45-1 dated the 4th August 1945 have approved in toto the proposals made by me in regard to my emoluments during the period of special duty. It is therefore clear that the pay of Rs 330/- per mensem is the pay which I had earned in the grade and which I was drawing for nearly 19 months before my retirement. As my service during the period of re-employment has been recognised

as ....

as qualifying service for pension and as the pay of Rs 330/- fixed during the period of my re-employment is the stage of pay in the grade which I had earned before my retirement, I request that Government may be pleaded to issue early orders for counting the period of my re-employment for the next increment in continuation of the period of nearly 19 months which I had already put in after earning the pay of Rs 330/- before my retirement.

Praying for early orders sanctioning my request,

I beg to remain,
Yours faithfully,

S. Nagappa

Bangalore,

D.O.Letter No. M. 28/Census dated the 4th July 1945 from the Education Secretary to Government of Mysore to Sri. S.Nagappa,B.A., Assistant Secretary to Government (Retired), Gavipur Extension, Bangalore.

I am desired to state that in pursuance of the promise made by the Dewan in his concluding remarks to the Representative Assembly held in September and October 1944 that the Department of Economic Development and Planning would investigate the question of rural indebtedness, the Commissioner for Economic Development and Planning, who was consulted regarding the action taken or proposed to be taken in the matter, has reported that one of the questions investigated, when the economic survey of 258 ~~xx~~ selected villages was conducted in 1941, was the incidence of debt and that it would be useful if a resurvey is now made of indebtedness in the same villages. It is proposed to entrust you with this work on the pay you were drawing when you retired from service, the pension being absorbed during the period of the special duty which may extend to about three months. An Assistant Commissioner will also be posted to assist you in this work with such staff as may be necessary.

I am to request you to intimate if you are prepared to undertake the work.

Reply dated 5th July 1950 to the Education Secretary to Government of Mysore.

I beg to acknowledge the receipt of your kind letter No. M. 28/Census dated the 4th July 1945, stating that the work of resurvey of indebtedness in the 258 villages selected for Economic Survey, in 1941, is proposed to be entrusted to me and to state that I have no objection to undertake the work which I have successfully carried out just a few years back.

In regard to my emoluments, during the period of this special duty, I wish to state that during the period of my active service, prior to my retirement, when I was engaged in the same debt and economic survey work, I was getting my grade pay of Rs 330/- plus a duty allowance of Rs 75/- per mensem. This duty allowance I was drawing continuously for nearly four years,

both ....

both during my census and economic survey work, in view of the arduous and special nature of the duties. As I am now called upon to do the same work, I expect the same pay and allowance during the period of the proposed special duty also apart from the War allowance to which officers of my pay and status are entitled.

Thanking you.
